

The screenshot shows the Microsoft Remote Desktop application interface on a Mac. The main window displays a toolbar with 'New', 'Start', 'Edit', 'Preferences', 'Remote Resources', and 'Azure RemoteApp'. A 'My Desktops' list is visible on the left. An 'Edit Remote Desktops' dialog box is open, showing fields for 'Connection name', 'PC name', 'Gateway', 'User name', and 'Password'. The 'Full screen mode' section includes options for 'Resolution', 'Colors', and 'Full screen mode', along with checkboxes for 'Start session in full screen', 'Scale content', and 'Use all monitors'. Red arrows and text boxes provide instructions on how to use the application.
